Sir:

Applicants respectfully request correction of the Filing Receipt for the above-captioned application. Enclosed is a copy of the Filing Receipt with the corrections noted thereon in red. Attorneys for applicants note that the Filing Receipt and U.S. Patent Publication No. US 2004/0030218, the publication of this application, both contain an error indicating that priority application no. 09/774,218, filed January 30, 2001 ("the priority application") has been abandoned.
